Benefits:

Special Olympics
New Jersey

For the past 9 years, Charles Flood has been diving into the Atlantic Ocean in January at the Polar Bear Plunge Wildwood to support Special Olympics New Jersey. He's gathered other dedicated individuals and has formed the Chilly Willys team so they can make a bigger impact and bring more awareness to a great cause!

Please help us and the local businesses we have teamed up with to support Special Olympics New Jersey.
Thank you.
